African Americans (also referred to as Black Americans or Afro-Americans) are an ethnic group of Americans with total or partial ancestry from any of the black racial groups of Africa. The term typically refers to descendants of enslaved black people who are from the United States. As a compound adjective, the term is usually hyphenated as African-American.

African literature is literature of or from Africa.. As George Joseph notes in his chapter on African literature in Understanding Contemporary Africa, whereas European views of literature often stressed a separation of art and content, African awareness is inclusive: "Literature" can also simply mean an artistic use of words for the sake of art alone.

The African-American Civil Rights Movement was a group of social movements in the United States. Their goal was to gain equal rights for African-American people. The word "African-American" was not used at the time, so the movement was usually called The Civil Rights Movement. This article talks about the part of the movement that lasted from about 1954 to 1968.
