In addition, there are many Basque writers who have written in Spanish: Blas de Otero, and Gabriel Celaya. In the 20th century, the Spanish Civil War halted all Basque cultural and literary production for almost two decades. The most affected domain was that of language and the creation of texts in Basque.

History of the Basque Language By Manfred Owstrowski I. Language families and genetic language relationships in Europe Most of the languages spoken in Europe belong to one single language family: Indo-European. Basque is the sole surviving non-Indo-European language in Western Europe, it is classified as a language isolate.

### **History of the Basque Language - Texas A&M University**

It studies "Basque literary history" from the understanding of Basque literature as part of a system-a literary system- to which it belongs and from which it receives meaning and direction. Like all languages and literatures, Basque literature has been conditioned by the relationship between language and literature.

Literary translation is a genre of writing, like theater or poetry. You can't be a good literary translator if you're not a good writer. The history of world literature needs translations to stay alive: translations drive literary traditions and languages. • See the full text of the interview (in Basque) here.
