

communism in latin america pdf

Latin America is a group of countries and dependencies in the Western Hemisphere where Romance languages such as Spanish, French and Portuguese are predominantly spoken; it is broader than the terms Ibero-America or Hispanic America. The term "Latin America" was first used in an 1856 conference with the title "Initiative of the America. Idea for a Federal Congress of Republics" (Iniciativa de ...

In political and social sciences, communism (from Latin communis, "common, universal") is the philosophical, social, political, and economic ideology and movement whose ultimate goal is the establishment of the communist society, which is a socioeconomic order structured upon the common ownership of the means of production and the absence of social classes, money and the state.

Communism - Wikipedia

Communism is an ideological and a social political movement. Its aim is to set up a communist society. This society would be based on the common ownership of the means of production and would lack social classes, money, and a state.
