Party games are games that are played at social gatherings to facilitate interaction and provide entertainment and recreation. Categories include (explicit) icebreaker, parlour (indoor), picnic (outdoor), and large group games. Other types include pairing off (partnered) games, and parlour races. Different games will generate different atmospheres so the party game may merely be intended as an ...

Weed tea is an ancient, time-honored, sacred, and highly effective traditional medicine for many different purposes in many different cultures across the globe. Weed tea can be made in a number of different ways depending on the desired effects.. This post will present you with some weed tea historical anthropology, a small dash of cannabis tea chemistry, and five different yet straightforward ...

Weed Tea: Your Complete Guide - Honest Marijuana

4 8 16 In the first call to the function, we only define the argument a, which is a mandatory, positional argument. In the second call, we define a and n, in the order they are defined in the function. Finally, in the third call, we define a as a positional argument, and n as a keyword argument.. If all of the arguments are optional, we can even call the function with no arguments.
