History. The original Zhan zhuang were health methods used by Daoists; in recent centuries, martial artists who already had static standing methods combined these with the internal mechanics of Zhan zhuang to create a superior exercise. The goal of Zhan zhuang in martial arts has always been to develop a martially capable body structure, but nowadays most practitioners have again returned to a ...

Various aspects of the relationship between religion and science have been cited by modern historians of science and religion, philosophers, theologians, scientists, and others from various geographical regions and cultures. Even though the ancient and medieval worlds did not have conceptions resembling the modern understandings of "science" and "religion", certain elements of these modern ...
