Utilitarianism is an ethical and philosophical theory that states that the best action is the one that maximizes utility, which is usually defined as that which produces the greatest well-being of the greatest number of people, and in some cases, sentient animals. Jeremy Bentham, the founder of utilitarianism, described utility as the sum of all pleasure that results from an action, minus the ...

The following estimates represent citizens killed or starved to death by their own Communist governments since 1918. These numbers do not include war dead. The governments are sorted by body count (highest to lowest). All numbers are mid-estimates. While this list is as complete as I have been able to determine, it is evolving. Some!
