This is the verbal reasoning questions and answers section on "Verification of Truth" with explanation for various interview, competitive examination and entrance test. Solved examples with detailed answer description, explanation are given and it would be easy to understand.

Verification of Truth - Verbal Reasoning Questions and Answers

An engineering drawing, a type of technical drawing, is used to fully and clearly define requirements for engineered items.. Engineering drawing (the activity) produces engineering drawings (the documents). More than merely the drawing of pictures, it is also a languageâ€”a graphical language that communicates ideas and information from one mind to another.
