Wayward Pines is a television series created by Alex Guckler and produced by Fox. The series is a reimagining of the 1990 novel series by Blake Crouch. The first season, originally conceived as a single miniseries, is a transposition of the trilogy of novels from which it takes its name, Wayward Pines, published between 2012 and 2014 and written by Blake Crouch, to whom it is dedicated. The series is inspired by the 1990 TV series Twin Peaks and the ...

Abstract. The ancient Chinese concept of health reaches far beyond the mere absence of symptoms to include the presence of a strong vital energy known as qi. A smooth, harmonious, and active flow of qi creates harmony in the body and a balanced state of being in the person. This personal health is further matched by health in nature, defined as regular weather patterns and the absence of disasters.
