Interpretation section.

### **National Patient Safety Goals® | Joint Commission**

Setting goals in each area of life will ensure a more balanced life as you begin to examine and change the fundamentals of everyday living. Setting goals in each area of life also helps in eliminating the non-integrated thinking discussed earlier. 4. Write your goal in the positive instead of the negative.

### **SMART Goal Information Sheet - Madison East High School**

So instead of setting a goal of "zero eye injuries in 2014", the goal should be "95% use of safety glasses in 2014". You could set goals around use of personal protective equipment, safety training attendance, participation in Job Safety Analyses, or any other metric that is significant for your business.
