Dr. Dicken Weatherby is one of the world's leading experts in Functional Blood Chemistry Analysis. He graduated from the National College of Naturopathic Medicine in Portland Oregon in 1998.

### **Signs and Symptoms Analysis from a Functional Perspective**

Movement is a vivid discovery, a fundamental and explicit teaching in which the return to basics takes on a whole new meaning. In it, author Gray Cook crosses the lines between rehabilitation, conditioning and fitness, providing a clear model and a common language under which fitness and rehabilitation professionals can work together.

The presence of circulating antibody to a vaccine antigen may reduce or completely eliminate the immune response to the vaccine. The amount of interference produced by circulating antibody generally depends on the type of vaccine administered and the amount of antibody.

### **General Recommendations on Immunization**

Few individuals experience the full energy of a lightning strike because only about 3-5% of injuries are from a direct strike. [] Most of the energy is mediated by other factors, including the ground, a tree, or other object that, once hit, transmits the energy to the person.
