Great to see this very first book of mine here at the IA. Usborne let it go out of print many years ago, but I've had a soft spot for it, as well as being a warm reminder of my sadly late co-author, Kenneth W. Gatland. I will award 5 stars in Ken's memory. I still make science and futures books, at www.starcruzer.com if you would like to visit.

Purchased this book for my granddaughter as a gift. She was in third grade at the time and just beginning to ask serious questions about God, religion and the like. This book was a great introduction to religions and other cultures for her. Nicely illustrated; she had no problems with reading the text.
