Basic Antennas Basic Radio Understanding the Key Building Blocks An introduction to radio FOR EVERYONE!“what it does and how it does it. Basic Radio reveals the key building blocks of radio:

Understanding Practical Antennas and Design

User-centered design professionals pay special emphasis to one type of stakeholder“the users of the system“arguing that user experience needs to be carefully crafted to satisfy user needs. While understanding user needs and goals is certainly necessary, it is often not sufficient for producing a successful design.

Understanding Organizational Stakeholders for Design

- Hello, and welcome to this course on Understanding Design Thinking. I'm Chris Nodder. I work with teams to implement design thinking in their organizations. These organizations can be start ups or multi-national enterprises. Design thinking is a way to get your team thinking creatively about your products and services from your customers' perspective. We'll look at how you can help your team ...
