Fiddling refers to the act of playing the fiddle, and fiddlers are musicians that play it. A fiddle is a bowed string musical instrument, most often a violin. It is a colloquial term for the violin, used by players in all genres including classical music. Although violins and fiddles are essentially synonymous, the style of the music played may determine specific construction differences ...

A Hardanger fiddle (or in Norwegian: hardingfele) is a traditional stringed instrument used originally to play the music of Norway. In modern designs, this type of fiddle is very similar to the violin, though with eight or nine strings (rather than four as on a standard violin) and thinner wood. Four of the strings are strung and played like a violin, while the rest, aptly named understrings or ...
