Russian literature refers to the literature of Russia and its Å©migrÅ©s and to the Russian-language literature. The roots of Russian literature can be traced to the Middle Ages, when epics and chronicles in Old East Slavic were composed. By the Age of Enlightenment, literature had grown in importance, and from the early 1830s, Russian literature underwent an astounding golden age in poetry ...

The Beat Generation was a literary movement started by a group of authors whose work explored and influenced American culture and politics in the post-World War II era. The bulk of their work was published and popularized throughout the 1950s. Central elements of Beat culture are rejection of standard narrative values, making spiritual quest, exploration of American and Eastern religions ...
